

## A Decade In The Making

New Canaan-Darien Magazine Celebrates its 10 year Anniversary!

Moffly Media- publisher of multiple award-winning titles: five regional publications – Greenwich, New Canaan/Darien, Stamford, Westport and Fairfield Living– as well as its highly acclaimed home-design publication, athome in Fairfield County celebrated the 10th anniversary of New Canaan-Darien & Rowayton Magazine on Thursday, March 29 at The Darien Community Association. The lively cocktail reception celebrated 10 successful years of New Canaan-Darien & Rowayton Magazine and brought more than 200 attendees to the revitalized venue! First Selectman of Darien, Jayme Stevenson and State Representative for Darien & Rowayton, Terrie Wood joined top advertisers and other VIP's in the festivities.

Marcia Selden Catering and Event Planning, the onsite caterer provided the delicious hors d'oeuvres. Bon Fleur Floral Design provided the magnificent flowers and ZYR Vodka hosted a special vodka tasting. KP Events created a club like atmosphere with dramatic lighting and music by DJ Kunjan.

Dynamic conjurer Ryan Oakes entertained the crowd with awe inspiring tricks while guests enjoyed a beautiful room staged by The Summer House of New Canaan.

"For ten years, it's been our goal to create a magazine that is a smart, sophisticated reflection of the pride our readers feel as residents of New Canaan, Darien and Rowayton. Driven by that mission, we strive to produce a publication that the community is pleased to call its own" said Editor Jeanne Craig.

Jonathan Moffly President of Moffly Media shared, "From its very first year, New Canaan, Darien & Rowayton Magazine celebrated the people and organizations that make the community vibrant. And over the past 10 years it has evolved with the community in steadfast exultation of New Canaan, Darien and Rowayton communities' vitality, growth and charity."

Moffly Media is also known for producing exciting events such as Best of the Gold Coast, Best of Greenwich, Light a Fire, and the A-List Awards.
