Rock On!

It was a night of doo-wop and dancing at Rock 'n the River in Stamford, where guests decked in their party best twisted the night away to music by Bowzer of Sha Na Na, Alston Reeves of the Shirelles and Charlie Thomas of the Drifters. The jitterbugging crowd took to the dance floor after dinner by Marcia Selden Catering & Event Planning, and a live auction. Proceeds will support the continued development of Mill River Park, and Stamford Downtown's Art in Public Places. »
