Do you want your guests to feel like a [kid in a candy shop](#) when they reach your desert area? A sweets buffet is just the ticket. Stock it with your favorite treats, or in your RSVP card ask friends and family to list their must-have delights.

See the version created for our bridal market party by [Marcia Selden Catering](#). The compartments in the Lucite trays helped us keep the colored [Jelly Bellys](#) in place. And we loved the scoops! They were so perfect for filling up little take-home bags.
