Bright Idea!

Pool and patio parties are all the more enjoyable when catered, allowing you to be the guest at your own event. This summer, Marcia Selden of **Marcia Selden Catering & Event Planning** is lighting up the days and nights with mango and watermelon margaritas, caipirinhas and mojitos, mini tacos and small entrée plates, burger stations and Texas barbecue. “These foods and drinks bring color and life to a pool party,” she says. “They bring happiness!”
