When it came to our sixth annual gala at the iconic **NEW YORK PUBLIC LIBRARY**, **AAB CREATES** pulled out all the stops for an epic night filled with the wedding world A-list. Highlights included a hanging origami flower installation, mozzarella bar, lipstick readings, colorful 3-D-printed rings and a stellar performance by Batala NYC Brazilian drummers.

The Knot Dream Wedding couple football pro Devon Still and his fiancée, Asha Joyce, with The Knot cofounder Carley Roney.
